

Sample Questionnaire for Parents

1 How long has your child been in hospital?

2 Where do you currently go if you need time away from the bedside of your child?

3 Have you used the parent and carer room while you've been here?

4 How often have you used the parent and carer room?

5 What do you use the room for?

6 What do you think of the parent and carer room?

7 Have you found everything you need in the parent and carer room? Does everything work?

8 Are there particular things about the room that you like?

9 Is there anything about the room that you don't like or would like to see changed?

10 Are there things that you would like to see in the room?

11 What do you think about the decoration of the parent and carer room?

12 What do you think of the colour of the room? Are there colours you'd like to see?

13 How do you find the temperature of the room? Is it too hot or too cold?

14 If you could transform any one thing about this ward and parent facilities, what would it be?
